VENDRA SASI SARAD VAMSI

B.Tech Student | Machine Learning Enthusiast | Python Programmer

+91-9398827388 • Vamsivendra02@gmail.com • www.linkedin.com/in/vamsi-vendra

Summary

- I am a dedicated student pursuing a B.Tech in Artificial Intelligence & Machine Learning, with hands-on experience from internships in Full Stack Development and Machine Learning. I possess strong programming skills in Python and have a keen interest in AI technologies, backed by certifications in machine learning and generative AI. I am eager to apply my knowledge to real-world projects

Education

Vishnu Institute of Technology
B.Tech CGPA-7.8   08/2022 - 05/2026

Bhaskara Junior College
Intermediate CGPA-8.8   06/2020 - 05/2022

Prathibha English Medium High School
SSC CGPA-9.3

06/2018 - 05/2020

Experience

Bharat Intern
Intern   05/2024 - 07/2024
Internship focused on Full Stack Development

- Successfully completed an internship with Bharat Internship in the domain of Full Stack Development
- Gained hands-on experience in designing, developing, and deploying web applications
- Worked extensively with both front-end and back-end technologies

Codingraja Intern
Intern   07/2024 - 08/2024
Internship focused on Machine Learning

- Successfully completed an internship with Codingraja Technologies in the domain of Machine Learning
- Worked on designing and implementing machine learning models for real-world applications
- Gained hands-on experience with data preprocessing, feature engineering, and model evaluation techniques

Certifications

- NPTEL CERTIFICATION [ELITE]-The course provided in-depth knowledge of fundamental and advanced machine learning concepts and techniques. I gained hands-on experience with algorithms, model evaluation, and practical implementation using Python
- GENERATIVE AI VIRTUAL INTERNSHIP [AICTE]-The program covered advanced topics, including neural networks, deep learning, and generative modeling techniques. I gained practical experience with tools and frameworks for creating AI models capable of generating innovative outputs

coding languages

coding languages

python, SQL,
WebDevelopment(HML, CSS,
Bootstrap)
